Need a Ride Pedicabs

Q Tell us about your company.

A Need a Ride Pedicabs are a fun, eco-friendly, unconventional way to explore New Orleans. Our fleet of white pedicabs pickup and drop off visitors in the French Quarter, Marigny, Warehouse District, Arts District and CBD. All of our drivers have two-way radios; our dispatcher will send someone to meet you within five to 15 minutes. Call us from the restaurant when you ask for your check, and we will be there when you step outside. Call us as you finish shopping, we'll be there to carry you and your bags home.

Q What can visitors expect during a Pedicab ride?

A Need a Ride Pedicabs blend transportation and entertainment ... we call it "transportainment." While we don't give guided tours, our drivers are full of information about the city. Our goal is to create a memorable and entertaining experience for tourists and locals.

Q What seems to be your busiest times?

A We're a new business, but we hope our pedicabs become a familiar part of the landscape of downtown New Orleans. Unlike other cities, our pedicabs operate year-round. With eight million visitors, Saints games, sporting events, conventions, and festivals, our drivers should be busy year-round.

Q How do you plan to use your CVB membership to grow your business?

A We are thrilled with the CVB resources, especially because we offer shuttle service and rides for special events, weddings, corporate events and conventions. The CVB convention calendar helps us project how many pedicabs we need in a specific area. We're also able to promote our services to convention visitors before and during their trip to New Orleans.

That's How We Roll!
